

**Town of Innisfil  
Class Environmental Assessment  
Golf Haven Water Supply**

**NOTICE OF STUDY COMMENCEMENT &  
PUBLIC INFORMATION CENTRE**

The Golf Haven Municipal Water Supply System, in the Community of Gilford, currently consists of two wells, an in-ground reservoir, and a pump station, which combined are incapable of supplying sufficient capacity for fire protection and domestic flows to the existing users. In addition, the concentration of trihalomethanes (THMs) in the treated water has consistently exceeded the Ontario Drinking Water Quality Standard Maximum Acceptable Concentration.

The Town of Innisfil has, therefore, retained the Ainley Group to conduct a Municipal Class Environmental Assessment to identify and assess alternative options for providing a potable water source that would be capable of meeting user demands and fire protection requirements as well as water quality parameters that conform to the Ontario Drinking Water Legislation.

While the service area being considered is illustrated in the map below, the study area being considered encompasses an area with the Alcona Water Storage Reservoir on the 8th Line of Innisfil representing the northern boundary, the Bradford West Gwillimbury Water Storage Reservoir near the 12th Line of Bradford West Gwillimbury representing the southern boundary, the intersection of County Road No. 89 and Yonge Street (Fennels Corners) representing the western boundary, and the shoreline of Lake Simcoe representing the eastern boundary.

Several alternatives have been considered, resulting in the selection of a Recommended Solution that involves abandoning both the existing Golf Haven Water Supply System and the existing Goldcrest Wells, transferring the existing users of both systems to the Alcona Lakeshore Water Supply System by connecting to the Bradford West Gwillimbury water transmission main, and expanding the existing Goldcrest Water Storage Reservoir for the purposes of maintaining adequate operating pressures in the distribution system.

This municipal servicing project is being planned under Schedule 'B' of the Municipal Class Environmental Assessment and as such an informal drop-in style Public Information Open House will be held to allow all interested parties an opportunity to review all of the alternatives considered as well as comment on the Recommended Solution.

The Public Information Open House will be held on:

**DATE: Tuesday February 13th, 2007**  
**TIME: 6:00 p.m. - 9:00 p.m.**  
**LOCATION: Gilford Community Hall, 257 Bells Lane, Gilford**

Comments and input arising from the Public Information Centre will be accepted by the Town or The Ainley Group until the end of business on Friday March 2nd, 2007 and will be utilized to further develop the Preferred Solution.

For further information, please contact either of the following members of the study team:

<p><b>Mr. Joe Mullan, P.Eng.</b> <b>President &amp; CEO</b> Ainley Group 550 Welham Road Barrie, Ontario L4N 8Z7 Tel: 705-726-3371 Fax: 705-726-4391 E-mail: mullan@ainleygroup.com</p>	<p>or</p>	<p><b>Mr. Grant Shellswell, Engineering Technologist</b> <b>Planning and Development Services</b> Town of Innisfil 2147 Innisfil Beach Road Innisfil, Ontario L9S 1A1 Tel: 705-436-3710 ext. 303 Fax: 705-436-7120 E-mail: gshellswell@innisfil.ca</p>

**Cookstown's young folks**

by Susan Stein

It is always nice to report about the progress, the goals of our young friends and I'm glad to give you these news:

Brennan Rutters, son of Peter and Wendy Rutters, is happy to announce his marriage to Kate Hubrecht on December 29th, 2006 with the ceremony held at the Bond Head Golf Club.

After a honeymoon to Fiji, the young couple will move to Brisbane, Australia, where he, a graduate from Laurentian University in 2006, will study for his M. A. in Education and Kate will find some employment.

Congratulations Brennan and Kate!

His sister Brittany is in her third year at Brock University, St. Catherine's. Sister Bryden, who lives with her husband David Maassarany in Toronto, will graduate from the U of T with an M.A. in Social Work and the youngest of the Rutters, Micah is a student at Bradford High in her last year.

\*\*\*

The Hadwen Clan's grandsons Dale (son of Laurie and Blair Hadwen) has returned to Sir Wilfred University in Kitchener/Waterloo for his 2nd year in Computer Science and Technology. His brother Danny is a student at St. Thomas Aquinas High School, Tottenham.

Bob Hadwen's daughter Jessica is at King's College in London, taking Early Childhood Education with a goal to be a teacher.

Arein, son of Janine and Tony Auchincloss, is enrolled at the college in St. Catherine's, studying towards a degree in Kinesiology.

\*\*\*

Ingrid Carter, has resumed teaching after maternity leave. She with husband William Legros and children came from Aurora and Shane with wife Brenda came from Barrie for an early Christmas with their parents Sid and Lorice Carter on December 17th, 2006.

Lorice, who has visited her mother in Florida for two weeks, has returned home to Cookstown

It was a pleasure to get a phone call from Mabel Riley from Ottawa and hear about the visit on Boxing Day with daughter Marilyn, Brian and their son Jobie. Mable hopes to come for a visit to Cookstown around February 11.

Best wishes to all.
