TALK: A family tradition

Continued from FRONT

"More gross means more chance of winning ... the more the people get into it." Singh's older sister Lauren, now a Grade 9 student at Nantyr Shores, had previously done well at public speaking competitions, when she attended Innisfil Central.

She's proud of her younger brother's accomplishments.

"It's neat," said Lauren. "When I was in Grade 4, I didn't place second (in the school)."

Public speaking has become a part of the board's curriculum. It teaches students self confidence and other important communications skills, said the board's curriculum principal Anita Townsend.

"Across the board, local groups like Kiwanis and Rotary may have a community (competition) for promoting excellence. They do have opportunities where students can enter, to win an award for their speeches," she said. "It's very nice the community groups would support recognizing excellence. It helps children develop confidence and organizational skills. In creating a speech there's a format, so they learn procedural writing."

710 CARDS OF THANKS

HADWEN: WILBERT (WIB) - Thank-you to friends and neighbours, sons and daughters, their spouses and children, for staying close and helping me these past difficult days. Your assistance with the long drive to St. Michael's Hospital, taking many phone calls and messages, managing meals, transportation here and there, and Grandma-sitting at night is overwhelming. Thank-you to the staff at Stevenson Memorial and St. Michael's Hospitals for your care and concern for my loved husband. I shall not forget. I have so many things to be thankful for here in our Cookstown community. Thank-you to Paul Kent and staff and Rev. Thelma Arnott for your guidance and kindness, to Jean Reynolds and Paul Wardlaw for food at the church and to Jocelyn Wardlaw for sharing your beautiful voice. The flowers sent to the church were lovely and appreciated and food brought to our home was heartwarming and satisfying, especially for my grandsons. Thank-you to everyone who helped with the care of the horses until they were moved to Belleville. I will be forever grateful to all.
 Beryl Hadwen
