**709 IN MEMORIAM**

WOOD, KAY In loving memory of a dear wife, mother and nana, who passed away April 30, 2007. *God saw you getting tired When a cure was not to be So he closed his arms around you And whispered "Come to me". You did not deserve what you went through And so he gave you rest God's garden must be beautiful For he only takes the best. In tears we watched you sinking So peacefully free from pain Our hearts were almost broken You fought so hard to stay. But when we saw you sleeping So peacefully free from pain We could not wish you back To suffer that again. If you had spoken before you died These are the words you'd reply "Weep not for me, but courage take And love one another for my sake."* Always remembered with love, Bob, Bruce, Colleen, Hannah and Laura

**709 IN MEMORIAM**

IN LOVING MEMORY of our son Paul and daughter Kelly Heathfield who passed away ten years ago May 04, 1998. *When distance takes us far apart And darkens our today We have to keep remembering You're just a thought away When the world is too confusing And times are hard to bear, We remember precious moments Of when you both were near. If we sometimes drift into A lonely state of mind, We gather up the memories Of days we left behind. And though you're not beside us, We can tap into our hearts And draw upon the warmth and love That lives when we're apart. And with these fond reflections Of times when you were here, We sense a little bit of what It's like to have you near. Always Loved, Always Missed Mom & Dad MARGARET COX (1911-2000) ELIZABETH ANDERSON (1910-1998) Remembrance is a golden chain Death tries to break but all in vain; To have, to love and then to part Is the greatest sorrow of one's heart. The years may wipe out many things, But this they wipe out never- The memory of those happy days When we were all together. Lovingly remembered by Betty and family*
