(north off Mapleview Dr. W., just west of Hwy. 400)

When it comes to rotisserie chicken, garlic mesquite marinated BBQ ribs and a wide variety of menu items that every member of the family will enjoy, you can't beat the taste, hospitality and value of **Swiss Chalet Rotisserie & Grill**.

Swiss Chalet's signature chicken is inspired by a secret Swiss recipe. A large open-flamed brick oven slowly roasts the chicken in its own juices, so it's crispy on the outside and tender and juicy on the inside.

Other popular **Swiss Chalet** choices include Chicken & Rib combos, Grilled Chicken Breast, Entrée Salads like the Greek Salad, as well as Sandwiches, Wraps, Oven-Roasted Chicken Quesadilla, plus Great Burgers, and Vegetable or Chicken Stir Fry.

Start your meal with **Swiss Chalet's** Sundried Garlic Cheese Loaf, Chalet Chicken Wings, Chicken Soup, Chicken Spring Rolls, Perogies, Dry Ribs, or a crisp Salad.

Swiss Chalet is proud to be the first National restaurant to include the Health Check program on its menu.

The famous **Harvey's** hamburgers are always freshly grilled and garnished to your taste. Choose from the Original or Double Original seasoned just right, plus the bigger, better premium Angus Burger. The Entrée Garden Salad, Entrée Chicken Salad, Grilled Chicken Sandwich and Veggie Burger all have 10 grams of fat or less, making them lighter choices. Other choices include the Grilled Chicken BLT Sandwich, Chicken Strips, Hot Dog, French Fries, Poutine, Onion Rings, and more.

The Kids' Meals and Kids' Combos make **Swiss Chalet & Harvey's** a family favourite.

This location began as a **Harvey's** over 19 years ago and then **Swiss Chalet** was added. The management team at the **Swiss Plus** restaurant in Molson Park includes Operating Associate **John Howard**.

Harvey's & Swiss Chalet offers seating for eating in, fast take-out and handy drive-thru window.
